together we make a difference

A Legacy of Care and Support to Local People

Local charity **One Community** provides services that keep people living independently, with dignity, confidence and quality of life.

One Community supports older people, disabled people and carers in the Borough of Eastleigh, making sure that they receive the financial benefits and support services to which they are entitled and, just as importantly, that they have access to social and leisure activities backed up with door-to-door transport.

One Community provides Day Care Centres, a Care & Respite Service, Carers Centre, Help in the Home, telephone linked Lifeline service, Dial-A-Ride, Shopmobility, Community Transport, Macmillan Solutions (for people affected by cancer) and, at the heart of all we do, our One Community Information and Support service (OCIS, formerly HISP), going into people's homes and guiding them through the maze of benefits and services and assisting them with application forms and procedures for as long as their help is needed.

Your bequest or donation

In these difficult economic times, when the need for our services has never been greater, our ability to meet those needs depends on the generosity of public giving. By remembering **One Community** in your will, or by making a donation now, you can help to secure the future of our services.

Thank you for your support

Making a bequest or legacy

A bequest or legacy is simply an instruction in your will to be carried out by your executors. You just need to state what you wish to leave and the name of the beneficiary. Your solicitor will be happy to advise you.

Making a donation

It is simple to make a donation to One Community. You can donate online at www.1community.org.uk or by post, making your cheque payable to One Community. Please complete the form below to send with your cheque, and tick the Gift Aid box if you are a UK tax payer and wish to increase the value of your donation through Gift Aid:

✂
