

Volunteering Opportunities from Volunteer Centre One Community

Fire Cadet Instructor

Could you help run a new cadet unit at Gosport Fire Station? As a volunteer instructor, you'll be supporting and mentoring young people aged 13 to 17 - helping them to develop their skills and knowledge, and make a positive difference in their local communities by taking part in social action.

Volunteers are provided with training, support and uniform. You'll need to commit to one evening a week and occasional time at weekends. You'll be part of a nationally recognised programme, delivered through fire and rescue services.
